RE: SWP RESTRUCTURE

Dear Valued Client,

Steve Watson & Partners is currently undertaking a restructuring of one aspect of our business.

We have obtained government accreditation for a new subsidiary service company in NSW and statutory approvals operations will commence out of this entity from 01/01/2019.

As part of this restructure, the Directors have decided to place the old subsidiary service company operating in NSW into Voluntary Administration.

Please note that this is simply a corporate governance housekeeping exercise. There will be no change in staff, no interruption to services and no change to existing or new contracting arrangements.

The restructure will strengthen and consolidate the company and place the group in an even better position to service our many valued clients into 2019 and beyond.

If there are any residual concerns I'm more than happy to discuss them in person.
My mobile number is 0403 066 592.

We thank you for your continued support and look forward to working with you in 2019.

Kind regards,

Steve Watson
